DIST. 62 GETS 5 OF 38 COMMUNITY FOCUS FUND GRANT AWARDS

INDIANAPOLIS—The Indiana Office of Rural Affairs presented Community Focus Fund Grant (CFFG)

awards to various rural Indiana communities Monday afternoon.

Rep. Jerry Denbo (D-French Lick) said communities in District 62 were awarded a significant proportion of the awards.

- Orleans received \$525,000 for wastewater treatment system improvements.
- Shoals received \$525,000 for water distribution system improvements.
- Campbellsburg received \$405,300 for a wastewater treatment upgrade.
- Oolitic received \$150,000 for a new fire pumper engine.
- Greene County received \$145,250 for a new 1,850 gallon fire engine.

"We are fortunate that District 62 fared so well in CFFG awards," said Denbo. "I would like to thank the state officials who made the final approval as well as the local authorities who have been working diligently on these projects.

"Cooperation between local and state officials is critical to get needed funding like this," Denbo added. "When local entities and those representing the state work together, the local community benefits. I cannot emphasize enough the importance of such cooperation."
